Hi, this is Abu Saleh Jahid. I am a 24-year-old little guy, a fresh graduate excited to begin my professional journey and put my knowledge and skills into action in a dynamic work environment. With a background in computer science, I am eager to take on new challenges, learn from real-world experiences, and grow personally and professionally. I am passionate about contributing to innovative projects, solving problems, and working with teams to achieve meaningful goals. My dedication to continuous learning and adaptability ensures I am ready to make a positive impact wherever I work.

Education

Daffodil International University   Jan 2021 – Dec 2024

Bachelor of Science Computer
Science and Engineering

CGPA 3.83

Khilgaon Ideal College   Dec 2019
